### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)

#### 1. Description of Business and Basis of Presentation

The ResCap Liquidating Trust ("Trust") was formed in connection with the Plan of Reorganization under chapter 11 of the United States Bankruptcy Code ("Plan") in the bankruptcy case of Residential Capital, LLC ("ResCap") and 50 of its direct and indirect subsidiaries (collectively, the "Debtors"). The Plan was confirmed by the bankruptcy court on December 11, 2013 and became effective on December 17, 2013 ("Effective Date").

Under the terms of the Plan and LTA, units of beneficial interest ("Units") were issued by the Trust to holders of allowed general unsecured claims ("Allowed Claims") against the Debtors, other than holders of general unsecured claims in classes for which the Plan prescribes payments of cash. The Units entitle their holders ("Beneficiaries") to receive a proportionate amount of cash distributions made by the Trust. The Units are issued only in book-entry form in accordance with the procedures of the Depository Trust Company. Certain holders of Allowed Claims are still in the process of providing information needed to be issued their Units.

The Disputed Claims Reserve ("DCR") was established to hold Units, and cash and other assets for the benefit of holders of general unsecured claims that become Allowed Claims after the Effective Date, unless such claims are satisfied in cash in accordance with the Plan. The Trust makes distributions of Units and cash from the DCR to holders of disputed claims that become Allowed Claims at intervals determined by the Board.

The Consolidated Financial Statements (the "Consolidated Financial Statements") have not been prepared in accordance with generally accepted accounting principles; rather they have been prepared using a liquidation basis of accounting, which the Trust considers an appropriate basis of accounting at this time. The assets are stated at their estimated net realizable value, which is the non-discounted amount of cash into which an asset is expected to be converted during the liquidation period. Assets are also established for future income expected to be earned by the Trust. Assets held for sale are valued based on estimated sales price for each asset type, and include mortgage loans, servicer advances, interest income, mortgage servicing rights, real estate owned, and trading securities. Costs to dispose of assets are also accrued and are netted in assets held for sale. The Trust also accrues costs that it expects to incur through the end of its liquidation, if and when it has a reasonable basis for estimation. The Trust will record affirmative litigation settlements or judgments when realized and collectability is assured.

The Consolidated Financial Statements include the accounts of the Trust and its majority-owned subsidiaries after eliminating all significant intercompany balances and transactions. The Consolidated Financial Statement presentation has been modified from prior periods:

- The Consolidating Statement of Net Assets in Liquidation has been changed to a consolidating schedule;
- A Consolidated Statement of Cash Receipts and Disbursements has been added ; and,
- The Consolidated Statement of Changes in Net Assets in Liquidation has been reformatte. In the Consolidated Statement of Changes in Net Assets, the impact on Net Assets of the elimination of previously recorded basis on assets liquidated and liabilities resolved is presented

## ResCap Liquidating Trust

---

as a non-cash reduction (assets) or increase (liabilities), while the cash impact of such transactions is included in net cash flow.

The Consolidating Statement of Net Assets in Liquidation combines assets held in bailment and non-material subsidiaries into the Trust entity. Other wholly owned subsidiaries include Cap Re of Vermont, LLC, ("Cap Re"), a captive reinsurance company, and ResCap Foreign Equity Holding Co ("International"), which holds all international businesses. Intercompany balances between entities are excluded, consisting of a Trust receivable from Cap Re of \$18.3 million and a net receivable from International of \$1.4 million.

The Consolidated Financial Statements as of and for the quarter ended March 31, 2015, are unaudited but reflect all adjustments that are, in management's opinion, necessary for the fair presentation of the results for the periods presented. These unaudited Consolidated Financial Statements should be read in conjunction with the unaudited Consolidated Financial Statements, and the related notes, for the year ended December 31, 2014.

### 2. Restricted Cash

Restricted cash is comprised of the following (in \$000's):

The restricted cash reserve for administrative and other priority claims, secured claims, unsecured convenience claims and certain other unsecured claims ("APSC") was funded to satisfy obligations for APSC and other administrative claims. The Trust's liability for such obligations is not limited by the reserve balance.

The reserve must maintain a minimum balance of \$20.0 million until April 5, 2016, at which time the reserve can be reduced in accordance with a prescribed formula.

### 6. Commitments and Contingencies

#### *DOJ/AG Consent Settlement*

On February 9, 2012, Ally Financial, Inc., ResCap and certain of ResCap's subsidiaries reached an agreement in principle with respect to investigations into procedures followed by mortgage servicing companies and banks in connection with mortgage origination and servicing activities and foreclosure home sales and evictions ("DOJ/AG Settlement") which was subsequently filed as a consent judgment in the US District Court. On and after the Effective Date, the Trust must continue to perform the remaining obligations under the DOJ/AG Settlement, other than certain obligations assumed by the purchasers of ResCap's mortgage servicing rights in the sales that occurred during the chapter 11 cases pursuant to section 363 of the United States Bankruptcy Code (the "Section 363 Sales"). Under the terms of the DOJ/AG Settlement, the Trust is obligated for certain Office of Mortgage Settlement Oversight ("OMSO") costs related to the purchasers in the Section 363 Sales.

The Trust estimated and established a liability for its DOJ/AG Settlement obligations and related costs and expenses of \$47.0 million and \$52.4 million as of March 31, 2015 and December 31, 2014, respectively.

#### *Litigation*

Claims have been asserted against the Trust. At this time, the Trust cannot estimate the possible financial effect of these claims.

#### *Affirmative Litigation*

The Trust is pursuing various affirmative litigation matters. These include:

- Indemnity and breach of contract claims against correspondent lenders that sold loans to Residential Funding Company LLC ("RFC") (a subsidiary of ResCap), seeking recovery of liabilities and losses that RFC incurred by virtue of its purchase from the defendants of residential mortgage loans that breached the defendants' representations and warranties. As of December 31, 2014, there were 79 total filed cases outstanding and tolling agreements with 6 other correspondent lenders.

On February 18, 2015, the Trust entered into a settlement agreement with a correspondent. The agreement provides for the full and final resolution of two pending litigations against this correspondent and a mutual release of all claims relating to residential mortgage loans that the correspondent sold to RFC, in exchange for payment to the Trust of \$20.5 million.

In addition, in 2015, one new case was filed, and one case was dismissed. As of March 31, 2015, there were 77 total filed cases pending; one case dismissed and on appeal; and tolling agreements with 6 other correspondent lenders.

- Claims pursuant to transactions with foreign subsidiaries. During the quarter, one matter was settled related to the Trust's foreign subsidiaries. All proceeds are expected to be received and held by the subsidiary or its parent, RFC Foreign Equity Holdings Co, until such time as determined by the Liquidating Trust Board ("Board") to be transferred to the Trust.

## ResCap Liquidating Trust

---

- Other affirmative litigation matters. The Trust is party to certain other affirmative litigation, principally in adversary proceedings before the bankruptcy court seeking avoidance of transfers made to creditors prior to the commencement of the bankruptcy. The Trust also is party to an action against certain insurers for failure to cover certain settlement costs.
- Reservation of rights. The Trust has reserved its rights with respect to other affirmative claims it may bring in the future.

At this time, the Trust cannot predict the outcome of these litigations or estimate the possible financial effect of these matters on the Consolidated Financial Statements, and as such, neither contingent gains nor any contingent costs to pursue these matters are currently recorded.

### *Other*

Prior to the formation of the Trust, on March 18, 2013, the U.S. Attorney's Office for the Central District of California served an investigative subpoena on Residential Capital, LLC pursuant to 12 U.S.C. 1833a (Financial Institutions Reform, Recovery, and Enforcement Act of 1989, or FIRREA). On February 13, 2014, and March 2, 2015, supplemental subpoenas were served on Residential Capital, LLC. The subpoenas seek documents and information related to the Debtor's securitization activities, including the purchase of loans from third-parties. The Trust continues to cooperate with the U.S. Attorney's Office in connection with its investigation.

## 7. Subsequent Events

Events subsequent to March 31, 2015 were evaluated through May 11, 2015, the date on which these Consolidated Financial Statements were issued.

## **RESCAP**

### **LIQUIDATING TRUST**

May 11, 2015

Dear Beneficiaries:

The Trust's quarterly financial report as of and for the period ended March 31, 2015, has been posted on our website at <http://rescapliquidatingtrust.com/financialtaxinformation.aspx>. The form of the quarterly financial package has been modified to enhance your understanding of the Trust's financial reporting. Changes include recasting the Consolidated Statement of Net Assets in Liquidation into a consolidating schedule, adding a statement of Consolidated Cash Receipts and Disbursements, reformatting the Consolidated Statement of Changes in Net Assets in Liquidation and eliminating the Supplemental Schedules by incorporating the reporting into this Beneficiary Letter or the Consolidated Financial Statements.

During the first quarter, the Trust continued monetizing assets, pursuing causes of action, and providing distributions to beneficiaries.

#### **Asset Recovery and Monetization Activity**

In the first quarter, the Trust:

- Collected \$12.7 million in normal course recoveries relating to the Trust's portfolio of assets held for sale.
- Completed the true-up process, relating to a previous sale of certain servicing rights and advances, receiving \$0.8 million in additional proceeds.
- Resolved several International issues generating cash receipts within ResCap Foreign Equity Holding Co:
  - Initiated the collapse of a Canadian securitization, resulting in collection of \$1.4 million as a final distribution.
  - Completed liquidation of the International special purpose entities and received \$0.1 million as a final distribution

The Trust is exploring additional bulk sales of its remaining portfolio of FHA and VA loans, which it would hope to complete during the second quarter of 2015. A sale of the portfolio will eliminate the problems that we have been experiencing with the servicer for the loans since the Trust succeeded to these assets from the ResCap debtors. If the Trust is successful in completing these sales, it will have monetized substantially all of the debtors' non-litigation assets.

## RES CAP

### LIQUIDATING TRUST

#### Administrative Expenses Set Aside

The Administrative Expenses Set Aside was initially established to hold cash or other assets set aside for the payment of Trust operating expenses. The amount of the Administrative Expenses Set Aside, established solely at Board discretion, may increase or decrease over time.

Activity during the first quarter of 2015 related to the Administrative Expenses Set Aside is as follows (in \$000's):

	<b>Amount</b>
Balance, December 31, 2014	\$ 227,259
Withdrawals - cash	(147,418)
Additions - pledged proceeds from future asset sales and/or recoveries	130,474
Balance, March 31, 2015	<u>\$ 210,315</u>

During the quarter, \$147.4 million of cash was withdrawn from the Administrative Expenses Set Aside and was utilized to fund the distribution to beneficiaries on March 31, 2015. A portion of future asset sale proceeds and/or recoveries have been pledged to the Administrative Expenses Set Aside to fund future operating expenses.

#### Distributions

The Trust made a fourth distribution of \$200.0 million or \$2.00 per unit on March 31, 2015 to record holders of units as of March 16, 2015. Of the total, \$192.8 million was distributed to beneficiaries, with substantially all of the remainder being deposited in the Disputed Claims Reserve.

#### Legal Matters

The Trust continues to focus on the prosecution of lawsuits against correspondent lenders as the successor in interest to Residential Funding Company, LLC (“RFC”). The lawsuits assert claims for indemnity and breach of contract, seeking recovery of liabilities and losses that RFC incurred by virtue of its purchase from the defendants of residential mortgage loans that breached the defendants’ representations and warranties to RFC. The Trust is also engaged in several other affirmative litigation matters. Following the anticipated monetization of the Trust’s remaining non-litigation assets, future distributions will be largely dependent on the Trust’s successful prosecution of these actions.

Since January 1, 2015, one new correspondent lender action was filed by the Trust, another was dismissed without prejudice, and two were settled. As of the end of first quarter of 2015, the Trust was prosecuting 77 correspondent lender litigations, 68 of which were pending in the

federal District Court in Minnesota, 5 of which were pending in the federal Bankruptcy Court for the Southern District of New York, and 4 of which were pending in Minnesota state court. An additional case, which the Minnesota federal District Court dismissed in 2014, remains on appeal to the U.S. Court of Appeals for the Eighth Circuit. The Trust has tolling agreements with 6 other correspondent lenders.

The parties to the correspondent lender litigations continue to engage in pre-trial discovery and motion practice. Federal courts in Minnesota and New York have issued several decisions since year end, including one decision that granted in part the Trust's motion to approve the use of a statistical sampling methodology as to certain loans sold to RFC by the defendants in 23 Minnesota federal cases. This ruling is expected to streamline proof of the Trust's claims in those cases.

The settlement entered into by the Trust during the quarter provides for the full and final resolution of all pending claims against a defendant involved in two lawsuits, a mutual release, and a payment to the Trust of \$20.5 million.

Finally during the quarter, the Trust negotiated an additional settlement within GMAC-RFC Property Finance Limited (UK), one of our U.K. legal entities, with cash related to the settlement to be released to the Trust upon the eventual dissolution of this entity.

The management and Board of the Trust continue to work hard to maximize recoveries for Beneficiaries and will keep you informed of developments.
